

PROPOSE INTERNATIONAL MOTORCYCLE RACE FROM HERMOSILLA TO PHOENIX

SONORA-ARIZONA RELATIONS TO BE CEMENTED IN MUTUAL SPORT INTEREST NEXT FALL

Plan Advanced by Dr. Boido in Answer to Sonora Officials' Offer of Aid in Some Program to Bring States Together

RAY OF LIGHT FOR BEST MEXICAN STATE

Gov. de la Huerta Will Be Asked to Send Greetings to Gov. Hunt by Motorcycle; Tom Shaughnessy Enthusiases Over Plan

To humanize the relations of the states of Sonora and Arizona, melting race differences in the heat of sporting competition, is the plan worked out by Dr. L. Boido of this city in answer to Sonora's repeated offers of cooperation. A five hundred mile motorcycle race, starting at Hermosilla, capital of Sonora and ending at the state fair grounds next fall, is the means which the noted motorcycle race promoter advances to demonstrate the pacification of Sonora, its freedom from that turmoil that has kept most of Mexico in a state of war, and its readiness to accept the world's best efforts to develop the numerous resources of that state.

With the definite promise of cooperation by Consul Yves G. Lelievre, who was in Phoenix to confer with the governor, Tuesday, Dr. Boido yesterday made his plan known to Secretary Tom Shaughnessy of the state fair. The result was instant enthusiasm and the promise of every possible aid.

Briefly, the plan is this: Having secured the promise of the fair, the chamber of commerce and allied interests of support and having received the sanction of the governor of this state, Dr. Boido will visit Civil Governor Adolfo de la Huerta at Douglas, possibly this month. Senator Lelievre, who halted the scheme with in-

tense satisfaction, as the solution of the difficulties in the way of better relations between the people of Sonora and those of Arizona, assured the promoter that de la Huerta would undoubtedly be delighted.

After having brought the parties together, the promoter will institute a campaign of publicity, enlisting the interest of the entire United States in the resumption of friendly relations between the Americans and Mexicans of the two states. It is pointed out that when Camacho used to be the scene of numerous baseball and boxing encounters, and the people had an opportunity to mingle and risk a peso or two on the results, there was no lack of cordiality, resulting from differences of opinion. Paradoxical, but true. The wholesome results of baseball in the Philippines and in Nicaragua and the Canal Zone, have proven how completely animosity can be dissolved in warm interest over sports.

From Hermosilla to Nogales, there is a 250 mile automobile road, over which Seno Lelievre declares the race can be run in fast time. From Nogales to Phoenix, the route will be by way of Tucson and Florence.

"The plan grows," declared Dr. Boido yesterday. "Far from being a mere motorcycle race, even though a very ambitious one, it begins to look like a new phase in international diplomacy. I am in close touch with Sonora and Sonorans. I know the spirit that exists there, and while it is necessarily more or less resentful toward the United States, it is not impossible to change it. Mexicans are after all a sport loving people. They have but recently become familiar with the automobile and motorcycle. I would like to see Governor de la Huerta write copies of a letter of greeting to Governor Hunt, hand one to each entrant in the race, and reward with a thousand dollars or so, the rider who first hands his message to Governor Hunt at the fair grounds."

While the proposition is still in its infancy, it already displays many of the qualities of a carefully thought out program and no doubt within the month, there will be many interesting developments.

OUTLAWS HOT ON TRAIL OF BEARS

Local Ball Tossers Going to Tempe and Endeavor to Bring in Another Scalp for Collection

Tempe, which is located in the Salt River Valley, adjacent to Phoenix, has been starring for some real games of ball for many moons. The town has boasted a team of more or less ability for all that time, but no proper stamping grounds has been provided for the athletes.

Through the efforts of a number of public spirited citizens, the lack of a diamond has been remedied, and now the residents of Tempe are getting ready to turn out in force Sunday afternoon and see the Bears play the Outlaws of Phoenix.

The two teams have clashed once before in Phoenix. At that time they played on what has been termed the "Folk street" diamond, which is more like a goat's paradise than a ball grounds. The Tempe team was not satisfied with the showing they made, and have been demanding revenge with a loud and piteous wail. They are about to have their heart's desire gratified. In spite of the fact that the local team has won the last five games played, the Tempe outfit is positive that they have a machine

fixed up, which with due care and an to do the tossing stunt for the Outlaws, to eventually will take the town. Johnny has lately returned in measure of the Outlaws. Phoenix after an animated session of the killing Mexican brigands, and feels that it causes a brain storm to some real batting Sunday. The game will be called at 2:30.
